Language method:

We follow the European Languages Framework to provide students with a guidance on language abilities at each level:

<https://www.coe.int/en/web/common-european-framework-reference-languages>

Our method is intuitive and not based on a book but on lateral thinking. It helps students to learn with a PURPOSE and make sense of what they study.

A book is given as a back-up to the course. After you have been in the course you can follow it online AT A DISCOUNT here:
